

Each year, Belmont Abbey College sponsors two Scholarship Weekends.

These are occasions during which Honors Institute/Honors Fellowship applicants stay overnight on the Belmont Abbey College campus. This is a wonderful opportunity to get a better sense of Belmont Abbey College and to meet with current Honors Institute students as well as with college administrators and faculty. --- It is also an occasion during which applicants take part in a required Scholarship Interview.

The first of these Scholarship Weekends takes place in November and is for students who have submitted the ***Early Decision Honors Fellowship Application*** and who are ready to make an early commitment to attend Belmont Abbey College.

The second Scholarship Weekend occurs in February and is for students who have submitted a standard ***Honors Fellowship application***. Precise dates for each Scholarship Weekend will be communicated in timely fashion to all Honors Institute/Honors Fellowship applicants.

Note: While it is preferable to take part in a Scholarship Interview during one of our two Scholarship Weekends, please contact Dr. Thuot for a Scholarship Interview at another time if it is impossible for you to take part in a Scholarship Weekend. Such interviews ought to occur prior to January 31st.
